

Zero is my hero! And heroes deserve respect!

A hero like Zero should always be addressed by its proper name, **Zero**, and never by disrespectful nicknames like **Nada**, **Nil**, **Oh**, or **Zip**. Can you find something often written with some Zeros?

- “Boring” flavor (7)
- Confection of almonds and sugar (that sounds like it might be a bad review of the 4th planet?) (8)
- Country known for hockey and maple syrup (6)
- End of a US address (3,4)
- First US President to live in the White House (4,5)
- Homer’s interjection (3)
