Familiar Faces

When our adventure begins, The Doctor is just relaxing watching a movie. As the opening credits roll, he knows something has affected the time stream! The first name, **Savage Tony**, should actually be the great **Oscar Wilde**.

Below are names of some of the most famous actors and actresses from Earth, but they've also been changed in a similar manner. Set them right to figure out who the Doctor should invite into the T.A.R.D.I.S. to help find the cause of all this!

Puzzle by Neal T. (Austin, TX)

Fifth Doctor (Peter Davison, 1981-1984)

Sacrificed himself by using the only
dose of the Spectrox Toxamea
antidote to save Peri's life instead of
his own. He died to the disease.

Sixth Doctor (Colin Baker, 1984-1986)

Arrogant, dramatic, self-absorbed,
driven and stubborn, this Doctor
died due to an overdose of
chroniton radiation.
