Nuclear Launch Codes SOLUTION

1. Each person listed on the sheet is a fictional character normally associated with a military rank.
2. Use the character's name as the key in a Vigenere cipher to decode the 4 letter fragment.
3. Sort by rank to get solution message. (Good resource: http://en.wikipedia.org/wiki/Template:United_States_uniformed_services_comparative_ranks). The normal version's solution is read left-right, up-down. The challenge version's solution is read up-down, left-right.
4. Solution message is ITEM PROF JONES USED TO ESCAPE NUCLEAR TEST TOWN. Both "fridge" and "refridgerator" are acceptable solutions.
