

Love you, I do. Let me count the ways. Most numbers mean nothing unless you create a heart to unlock its secret. Someone will be waiting for you, but first you will be **forced** to choose the good side.

Author: Jen Dumont, Portland, OR

Once you have folded it correctly you will a heart that looks like the picture.

There are references to the "force" and "good side" so you should choose the light side over the right side. (i.e. Star wars. Another hint that it's Star Wars is "Love you, I do". With the 25,15,4,1 you convert to letters to get "YODA" The dark side spells "VADER", but that is the wrong answer!
