# Charms Class

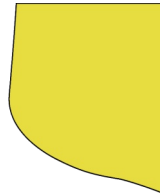

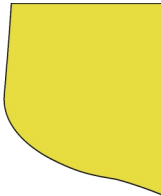

Charms class involves waving your wand (pencil) in specific directions. Use Neville Longbottom's special way to remember how to cast each spell to determine the secret to properly casting charms.

Lapifors

Move the pencil in the direction according to the shape or animal in the logo to make S/5 and W/3

Colovarja

Impervius

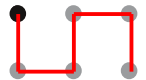

Just down. This forms both a 1 and an I

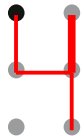

Use the first letter of each item to get a cardinal direction (S, E, N, E, S) for S/5 again

Reducio

Ducklifors

Use the habitat of each animal to get a direction. Penguins=south, Polar Bears=north, Pandas=east for a 4 or an H

S W I S H & F L I C K

Runes

Numerology

Read each line as a letter Read each as a number and index into the spell name
