1. In each division, nine of the teams fit into the nine categories listed in #2. No category is repeated within a division.

2. Categories: Mythical creatures, Positions of leadership, Diseases, Units of measurement, Comic strip characters, Liquors, Cheeses, Weather phenomena, Arcade game characters.

3. Find the teams that don't fit into any category. There is one per division.

4. Use the W number as an index on the City name of those outlier teams, and the L number as an index on the Team name.

5. The 20 letters in order spell DISEASES NORTH TO SOUTH

6. The cities in order are: Calgary, Seattle, San Francisco, Los Angeles, Miami, Havana, Panama City, Quito, Cape Horn, Antarctic

7. Look at the first letters of the team names from those 10 cities.

Answer: HOVERBOARD
