

## *A Gift for my True Love*

Puzzle by Corby A. (SF Bay Area)

I had this plan to shower my true love with a gift a day starting on the 25th, but the problem is that I don't know what she wants. I narrowed it down to the following items which I think she'll like. In no particular order, here's what I was planning on giving:

- **Laurie** Anderson's "O Superman" CD
- Season 1 of "**My Fair** Wedding" on DVD
- "Occu\_\_\_\_\_ " sign for the outhouse
- A day of **mourning** for the celebrity of her choice
- CD of **Gagaku** Japanese Imperial Court music
- Weekend at the \_\_\_\_\_ Inn in San Luis Obispo, CA
- \_\_\_\_\_ muffs
- car **detailing**
- A **bag** of salt taffy
- **Boxing** gloves
- Ween's "\_\_\_\_\_ and Cheese" CD
- A **bath tub** to put it all in

Ugh. But looking at that list, it's just a bunch of junk. She'd want me to be bold and just give her one thing that she really wanted. If could get so far as breaking my list into four themes I'd feel like I was making progress. Can you help me figure out what to get her?
