

Team Spirit

Puzzled Pint players are so wonderfully creative with their team names (as shown below), we almost expect to *see* them show up with team flags someday... and this is what we imagine some of them would *look* like! But what *IS* something we would be surprised to *see* next month?

Adjective Lightbulb

-... .- - -- .- -.

Bufo

Cluster Huck

Dirty Ashley

Gladys

Gormless Bastidges

Lemon Party

Team Awesome

Team Darkness

Team No Name

Voltron

(Cut out the 12 flags on the next page)
