

# Spin-Offs SOLUTION

1. The photos map to what could be considered the opposite of each webcomic's title:

Web Comic	"Spin-Off"	Photos
Toothpaste for Dinner	Floss for Breakfast	floss, "4", stick breaking, FastCompany
Red Meat	Blue Tofu	blue, tofu
Penny Arcade	Quarter Pool Hall	quarter coin, swimming pool, hallway
Bruno	Ali G	Ali G
PhD Comics	Third Grade Cartoons	third place ribbon, graded paper, cart, iTunes
Girl Genius	Man Dunce	man, dunce cap
The Oatmeal	Granola	waffle
Scary Go Round	Happy Stop Square	smiley face, stop sign, square
garfield minus garfield	Washington Plus Washington	Washington State, plus sign, Washington DC (order of the state and DC doesn't impact solution)

2. Each picture has a border of either dashes or dots. Read each webcomic's dashes/dots as a morse code letter for the solution: PAGEVIEWS.
