

SOLUTION: Rotate and combine squares to make a 2x2 grid (as shown on "Beauty" stein) with matching anagrams (same letters on edges). Remove letters in words from adjoining squares and make a word from the remaining letters. Use those four words to make the answer phrase.

For example: FABLE'S HOLY SPIRE - (BARLEY + HOPS) = "LIFE'S";
 same as FISH PRO'S EYEBALL - (BARLEY + HOPS) = "LIFE'S".
