

Rapper's Delight SOLUTION

1. Identify the words that the photos represent. They are all lyrics from the classic song "Rapper's Delight." This is made easier in conjunction with step two.
2. Pairs of words are phrases from the song, linked by the eight words/phrases/symbols in the upper left hand corner of the first page.
3. Index into each word by the number of images there are.
4. Solution: PARENTAL ADVISORY
