

WELCOME TO BAHUMIA

Welcome to Bahumia!

A few years ago, a necromancer attempted to conquer the realm of Bahumia. He met his match against three legendary heroes who valiantly defeated him, **signaling** a new era of peace and prosperity.

...But actions have consequences, and the heroes ended up doing a lot of damage during their campaign! The high elves are nearly extinct, the rightful king is a terrible politician, and the orcs are causing more trouble than ever. Our new heroes, Beverly, Moonshine, and Hardwon need to pick up the pieces. Help them out to find a nickname for their team.
