

You can't please everyone all the time, but man, sometimes diners have zero chill. They go online and talk about *what they received* and then *pick it apart* and give their ratings. Can any taqueria *put together all the tidbits* and figure out what the picky eaters want?!

2/22/2023 - Maybe I went on a bad day, but the quesabirria tacos weren't even warm?! 1/10.

1/31/2023 - As a vegetarian, the veggie tacos were tasty and filling. 8/10.

3/30/2023 - I had the quesabirria tacos to go and the cheese hardened before I got home. 6/10.

3/13/2023 - I loved watching the pork al pastor spin as it cooked! 9/10.

2/16/2023 - If those tacos are killer, I'm ready for my funeral! 9/10

2/15/2023 - The tacos al pastor were raw! I'd give 0 if I could. 1/10.

1/28/2023 - Killer tacos? All bark, no bite. 4/10.

1/14/2023 - I had the quesabirria tacos. They were flavorful, but needed a bit more salt. 7/10.

3/20/2023 - I really liked the pineapple on the pastor tacos! 6/10.

4/15/2023 - Didn't care for the pineapple with the pastor pork. 4/10.
