

2022 Year-End Recap

For your convenience, here are all the metapuzzle answers of 2022.

I made a year-end recap of what I did in 2022. It started out jumbled, but in the end everything had both an order and a little extra.

In January I got my lean new tree.
In February who saw me feign bad melody? Everyone.
In March I promised to never prettify fountain photos.
In April I did speed dating with a local family. "Next sis, sir."
In May I met a man named Ego, who volts detergent.
In June I saw sacred juice rooms went hollow.
In July I went to visit the Kent Chapel setter.
In August I found the best thing for a barge – whitecaps.
In September I got my Greece console, Venus.
In October I took time to find inner "Yes!"
In November I kept my win afloat.
In December I got a schnauzer, Firebug Poacher.
