

"...Antelope, Guggenheim, Albert, Salami, Giggly, Jumpy, Tom, Thomas, Tambourine, Leg-Face McCullen, Artichoke, Penguin, Pete, Steve... But I think the very worst name for this frog is..." - Greg

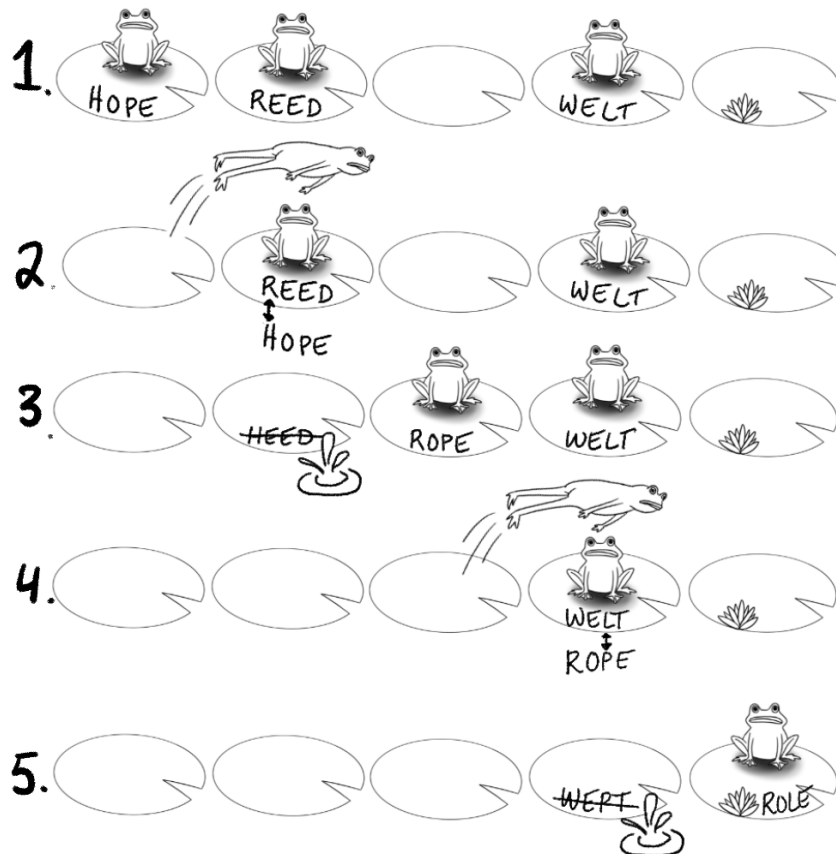

Frogs are quick to change their names,
when taking part in leapfrog games.

When they hop to a new space,
they make a trade that stays in place.

Once the frogs have done this deed,
BOTH NAMES STAY WORDS, like ROPE and HEED.

One jumps over, one jumps in,
till one is left, again begin.
