I saw The Beast **between the rocks, shifting**, looking for someone.  
Or perhaps it lost something valuable?

I saw The Beast walking left to right by the old **mansion**, peering up straight through its windows.  
We'll need an army to stop this beast!

I saw The Beast retracing the childrens' path through **the woods**, trying to **flag** them down.

I saw The Beast chasing after the **ferry** in a **rowboat**.  
He promised he would do no harm...
