

# The Longer You Stay, The Longer You Shop

*No wonder some of these places are designed like mazes.*

Except for row 4, every row in this puzzle contains two answers, the second immediately following the first. The “Path” answers wind their way through the labyrinth, starting at the arrow in the upper-left corner and snaking around until finally exiting in the lower right. Clues for these answers are given in order.

## ROWS

- 1 Hold in one’s hands, or understand an idea  
\_\_\_ Valley (high-tech business region near San Francisco)
