

PERSEUS'S INVITATION

Orion arrives at Perseus's house to find him playing a game of Connect 4. "Wait, these rules aren't anything like Connect 4." "It's a different type of Connection, and remember. X marks the spot!"

"Ah, Orion, I was just having a cup of tea."
"Perseus, I'd like to have one too - I always feel like half of myself without one."
"Bet bro, but beware, because colorful blotches blemish blouses."
"Do you also happen to have anything alcoholic?"
"Oh no, I think anything stronger might kill me."
"Oh, don't be so old-fashioned."
"Alright, we all need a little spice in our lives."
