WE CAN WORK IT OUT

The Beetles* loved to watch television, but it invariably led to arguments. Jon and Rringo always insisted on watching documentaries about famous women, past and present – usually with memorable first names – while Jorgg and Pawl demanded that they all watch sports – and learn the sports lingo.

Isabella (of Castile) OR Football? Frida (Kahlo) OR Ice Hockey? They would argue for hours! So much fussing and fighting! Honestly, life is just too short…

Here are *seven* more arguments they had. (A few letters have been filled in to get you started.) At least their last argument inspired one of their greatest hits!

Famous Women
first name… rest of name?

Sports Around the World
sport… sport term/phrase
